Where to go when you arrive in hospital

Report to the Admissions Office, South Infirmar-y Part of Complex

On admission you will be assessed in relation to COVID-19. In the event that you have symptoms you will be assessed by the clinical team and a decision regarding your admission will be made.

Dear «PatientTitle» «PatientForename» «PatientSurname»

Date and time to arrive in hospital

Arrangements have been made to admit you to the SIVUH on «TCIDate» at «TCITime»

Consultant: «Clinician»

You are booked as a «AdminCategory» patient. Please refer to “payment information” overleaf.

Please fast from midnight the night before surgery. You can take your usual medications with water.

Fasting information

If you find it difficult to read the rest of your letter there is an Easy to Read version on our hospital website.
