Format:

1. Contact time

4 X 90 minute sessions – online interactive webinar with participants able to type in questions in real time. 60 minutes – lecture; 30 minutes - 6 case studies submitted by participants.

2. Supporting materials

Each lecture will be supported by 3-4 papers – priority will be given to any clinical guidelines available on the subject. The American Academy of Dermatology clinical lectures will also be linked for easy access to online photographs of clinical conditions.

3. Linkages between participants

An online discussion forum will be hosted as part of the course with papers relevant to lectures available beforehand.
