## **Out-Patient Services GP Referral Clinics**

---

**March 2010**

To contact other departments in the hospital please telephone the hospital at (021) 4926100 and ask for the required department or extension number.

**Please Note:**

Appointments for some clinics can be requested using the online referral system - SIVUH GP services website <https://gp.sivuh.ie>

Please include a contact telephone number for each patient on each referral.

We would appreciate if you could encourage patients to give adequate notice to the hospital if they cannot attend for the appointment they receive and to advise the hospital if either their address or telephone number changes.

The South Infirmary - Victoria University Hospital is a 288 bed hospital with In-patient, Out-patient and Day Care facilities.
