This document sets out the manner in which applications are accepted for the above post in addition to setting out the prescribed Particulars and Qualifications of the post, the Job Description and other relevant information.

Application Process:

4 copies of an up-to-date Curriculum Vitae (unbound) and 4 copies of a Cover Letter should be submitted to:

The Human Resources Manager
South Infirmary-Victoria University Hospital
Old Blackrock Road
Cork

The latest date for receipt of applications is:

1.00pm, Friday, 27th September 2019

Please note successful candidates will be required to submit documentary evidence of all qualifications referred to on application when requested to do so post interview.

The South Infirmary - Victoria University Hospital is an equal opportunities employer
We at the South Infirmary-Victoria Hospital are committed to providing the highest quality service to all our patients in a friendly, safe and caring environment. We endeavour to provide an effective, efficient service in a timely manner with equal access for all our patients. We aim to provide individual patient centered care to each patient and their families and promote patient participation in their care. We encourage good interpersonal relationships. We promote staff and service development through education, motivation and encouragement. We are committed to providing an effective learning environment for future health service staff.

We are a 192 bed Voluntary Teaching Hospital affiliated to University College Cork and catering for approximately 38,500 discharges and 72,500 outpatients each year. We are part of the South/South West Hospital Group. The Hospital is the Regional Centre for E.N.T. and Dermatology Services. The Hospital also plays a very prominent role in Endocrinology and Rheumatology services in the region. Services are continually developing and expanding at the Hospital.

The following medical disciplines are specialties in the Hospital:
- Anaesthesiology
- Combined Clinic in E.N.T. and Radiotherapy held at regular intervals
- Dermatology
- E.N.T. including an extensive Head & Neck service
- Endocrinology
- General Surgery
- Gynaecology
- Medical Oncology
- Ophthalmology
- Oral & Maxillofacial Surgery
- Orthopaedic Surgery
- Paediatrics - Consultation Service
- Pain Medicine
- Plastic Surgery
- Radiology
- Rheumatology

The SIVUH is primarily an elective hospital with a particular concentration on day surgery, short length of stay and day of surgery admission. There are 9 theatres in total in the complex; 4 General Theatres, 2 Orthopaedic Theatres, 1 Day Surgery, 1 Theatre in the Victoria Wing, and 1 Ophthalmology Theatre. In addition there is an Endoscopy Suite, Pain Management Procedure Rooms and a Minor Procedures Room.

The SIVUH has an extensive Day Surgery service including a Peri-operative Assessment Clinic which is supported by SIVUH Consultant Anaesthetist staff. In addition there is a Pre-admission Assessment Unit.

For the purpose of satisfying the requirements as to health, the successful candidate, before being appointed, shall undergo a pre placement health assessment. The Medical Examination will be provided by the Hospital.

Role Summary
The Assistant Director of Nursing (ADON) is part of the Senior Nurse Management Team that manages and provides leadership to Nursing staff, Healthcare Assistants and Nursing Students. The ADON participates in activities to meet the objectives of the Nursing Department. The ADON also supports the DON in ensuring the provision of effective delivery of quality care and services and the development of staff, the nursing department and the organisation.

The appointee will be responsible and accountable for all aspects of the operational running of the hospital under remit and management of Nursing and HCA staff. They are also responsible and accountable for the planning and development of patient services in collaboration with other personnel, review of systems and making recommendations for service improvements in which
they will be actively involved. They act as a resource and work in collaboration with the various specialist and professional teams within the hospital.

The ADON will work a flexible rota to ensure continuity of service & may cover other shifts as requested within their rostered time.

**Principal Duties & Responsibilities**

**Professional Duties**

- To provide leadership and vision for the development and advancement of clinical nursing service and to contribute fully to hospital corporate management
- To receive and issue reports to the Director of Nursing
- To ensure that opportunities exist for the development of nursing and that the care given is appropriate, reflects current research and best practice and is cost effective and patient-centred
- To assist the Director of Nursing in directing nursing policy in order to ensure that high standards of nursing care are being developed and maintained throughout the hospital
- To act as a consultant to Clinical Nurse Managers on implementation of nursing policy
- To actively seek to develop services under the ADON remit and within the organisation
- To participate at meetings with Hospital Management as required
- To assist in controlling and co-ordinating the activities of the nursing service in the hospital and liaise with appropriate community nursing services
- To participate in the development of hospital policies and procedures and the implementation of same and keep them updated
- To monitor agreed nursing practice and develop audit procedures to ensure quality performance
- Participate in collection and monitoring of Nursing Metrics
- To encourage and advise on any nursing and associated research projects and lead or participate in projects that are internal, external and national projects etc.
- To liaise effectively and advise Hospital Management, medical staff, allied health professional staff and other disciplines as necessary
- To assist the Director of Nursing in the presentation of accurate annual estimates of resource requirements and to assist with the controlling of expenditure within budget
- To be alert to possible safety hazards and to assist, as required, in making appropriate arrangements for the health, welfare and safety of nursing and allied staff
- To be actively involved in the control and effective use of hospital stocks
- To ensure that the standard of cleanliness maintained in patients’ environment is consistent with the hospital’s Infection Control policy
- To prepare business cases and reports to support developments and Hospital Group and national requirements.
- It is the policy of the SIVUH to require nurses and midwives to certify registration with NMBI annually, by way of the Patient Safety Assurance Certificate (PSAC). Registration is to be submitted no later than 1st January yearly.
- Active involvement in HIQA, NMBI and other regulator body inspections

**Managerial Responsibilities**

- To have an organisation wide overview of all activity and related operational issues.
- To liaise with other departments to gain a full understanding of the clinical and managerial issues within each department and therefore across all clinical areas
- To have a hospital wide understanding of clinical activity, patient dependency, skill mix and bed availability at all times, and to have a system in place for gathering information at least once per shift
- To be responsible for the allocation, deployment and rostering of assigned staff
- To identify areas where resources could be managed more efficiently
- To plan and guide activities to provide maximum patient care in accordance with Hospital Policies and Procedures
- To be responsible for the development and the effective operation of all assigned services
• To utilise financial and other information to plan and deliver agreed levels of service and keep within the nursing budget
• Act as advocate for patients staff on professional standards enabling other to become self empowered
• To investigate patient complaints and provide a timely response in accordance with the Hospital procedures
• Deputise for the Director of Nursing
• Contribute to and develop team effectiveness
• To address issues as they arise with the appropriate personnel
• Actively participate in and contribute to the Senior Nurse Management meetings
• Partake in handover report between day and night management teams and have a system in place that ensures all relevant information is communicated.
• To undertake the role of implementing the designated Major Incident Plan when necessary and act as led manager for the duration of the incident
• To support ongoing change including organisation structural reform when necessary
• To dispense pharmacy as per National and local guidelines

Clinical Care
• To manage patient admissions, discharges and transfers as required
• To be the point of contact for clinical and patient related enquiries
• To assist with the direction and supervision of the nursing service to provide a high level of patient care and ward management
• Act as role model and resource to clinical staff, promote and maintain high standards of patient care
• Develop and share a culture of clinical excellence
• Make clinical decision informed by up to date knowledge and skills, insight and understanding about the needs of patients
• To support the nursing staff with clinical decision making utilising available knowledge and skills
• To participate in internal & external audit and review as appropriate
• To develop and maintain good communication throughout the nursing teams and others involved directly or indirectly with patient care to ensure a patient centred service
• To have a visible clinical presence
• Enhance and facilitate professional development of staff within organisation policy and service need. Facilitate and participate in education sessions as required
• Maintain and promote effective clinical learning environment for staff and nursing students. Facilitate nursing students on clinical placement and ensure they are given opportunities to meet their learning outcomes. Liaise with School of Nursing and Midwifery as necessary
• To practice in accordance with all current statutory provisions, policies, protocols and guidelines of the Hospital

Human Resources
• To introduce new members of nursing and allied staff to their colleagues and discuss their job profile with them
• To assist in the recruitment of staff
• To assist in the development of management skills of clinical nurse managers
• To provide innovative and effective leadership to nursing and allied staff
• To direct and supervise nursing and allied staff at all levels and to be available to offer support and advice
• Undertake HR functions as required - e.g. back to work interviews, monitor WTEs, completion of records – Kalamazoo & calculation of Annual Leave and Payroll
• To maintain good employee relations and promote good communication with all ward staff and departments
• To participate in in-service training, orientation programmes and appraisals of nursing staff. Also, to participate in nurse training programmes and any other programmes pertaining to future development in the hospital
• Active promotion and involvement in the on-going education of nursing and allied staff and undergraduate students to include both formal & informal education
• Promote, nurture and maintain a high level of staff morale, hence promoting team spirit and job satisfaction among nursing and other staff.
• Ensure that all staff practice nursing within the code set for the profession by The Nursing and Midwifery Board of Ireland (Bord Altranais agus Cnáimhseachais na hÉireann (NMBI)).
• Advise nursing staff in the management of their departments and personnel under their remit as appropriate.
• Actively participate in the tracking and management of sick leave and annual leave for all staff.
• Play an active part in investigation, staff grievances, handling disciplinary matters as set out in Hospital Policies and Procedure. Take a leadership and management role in relation to all such issues.
• In collaboration with other disciplines, promote good industrial relations in accordance with personnel policies.
• Participate in local IR matters and attend to Union meetings and external third party matters as required.
• Ensure the implementation of all Hospital policies and manage them as directed, with particular reference to Disciplinary Procedures, Grievance Procedures, Health & Safety, Trust in Care and accident investigation.

Standards of Quality & Care

• Be responsible for and ensure a quality service under remit through nursing metric measurement and monitoring, and liaise with Nursing Practice Development Co-ordinator.
• Ensure the service provided by the nursing department is carried out in an effective, efficient, timely and appropriate manner.
• Ensure quality patient care is provided in an effective, efficient, timely and appropriate manner.
• Be actively involved in maintaining a quality system for the nursing department in collaboration with colleagues.
• Identify, initiate and participate in quality improvement plans (QIP) as a result of opportunities to develop services, to meet deficits in standards or in response to risk management issues.
• Participate and encourage audit of practice. Monitor and review audit results and initiate corrective QIP if required.
• Play an active role in the development of nursing & hospital Key Performance Indicators (KPI’s).
• There is a responsibility on all staff to participate in internal and external audit and review as appropriate.
• To work in a manner with due care and attention to safety of self, patients, staff and other persons in the workplace with reference to the Safety, Health & Welfare at Work Act 2005.
• The post holder is accountable, responsible and has authority for delivering a quality service and ensuring patient safety. The post holder will work within a Risk Management Framework to achieve the HIQA Safer, Better Healthcare Standards and other quality standards as appropriate.
• To report immediately to Line Managers/nominated persons, any accidents or incidents involving patients, staff and/or members of the public in line with hospital policy.
• To comply and be familiar with all hospital policies and procedures and in particular those relating to Safety, Health and Welfare, Infection Control, Hygiene, Risk Management and Decontamination.
• Any other duties as may be assigned from time to time by the Director of Nursing, Chief Executive or other designated Officer.

Administration

• To keep the Director of Nursing informed of changes and developments within the hospital and co-operate and assist her in ensuring the smooth running of the nursing service of the hospital.
• Ensure a flexible rota is in place for and systems are in place to hand over to colleagues.
• Be familiar with the use of I.T. application.
• Prepare information for and contribute to the Nursing Department Annual Report.
• Cross cover for colleagues as required.
• To keep such records appropriate to the post as may be required by the Hospital.
• To link with various departments in respect to reporting requirements e.g. midnight census.
• To attend and participate in clinical and non-clinical groups, committees, meetings and events as may be required from time to time.
Self Development
• To maintain, update and develop knowledge on relevant professional issues and on all speciality current trends by attending a number of study days each year.
• To be personally responsible for keeping his/her own practice up to date including mandatory training and maintaining competency relevant to the role
• To develop and maintain personal practice skills and competencies
• Identify education and practice needs and take steps to meet them
• Develop self-awareness for professional practice, relationships and clinical leadership

Note:
The rate and pace of change in the health service is such that the post holder will be required to update their knowledge and skills to fit the changing requirements of the service. Therefore this job description is an outline of the current broad areas of responsibility and accountability and should not be regarded as a comprehensive listing. It will be reviewed and updated in line with future needs as required.

The post holder will be required to be flexible in this position and must be prepared to undertake any other duties as may be assigned by the Head of Department/Line Manager dependent on service needs. Such duties can be outside the area of one’s normal work and may be for other associated Departments as the Hospital may require.

PARTICULARS OF THE POST

1. Remuneration:
   Salary Scale: Band 2: €55,072 - €65,945 per annum.
   
   Salary payment frequency will be monthly.
   
   Incremental credit may be granted in respect of recognised experience. Recognisable experience refers to “previous service in a similar grade in the Civil Service, Local Authority Service, Health Service and other public service bodies or agencies, in Ireland or abroad”.
   
   New employees wishing to claim incremental credit for previous employment/s must submit details (documentary evidence) within the first year of their employment to the Wages & Salaries Department, SI-VUH, otherwise the Hospital will not be liable for retrospective payments. New employees experiencing difficulty with a previous employer in obtaining any letters/documentation in this regard should notify the Wages & Salaries Department as soon as possible within the first year of employment.

2. The post is permanent, full-time and pensionable.

3. Annual Leave
   Annual leave and public holidays are granted in accordance with the provisions of the Organisation of Working Time Act, 1997 and in conjunction with Hospital policy and in compliance with national circulars governing leave. Public holidays are dealt with in accordance with the provisions of the Organisation of Working Time Act, 1997 as reflected in the Annual Leave and Public Holiday policy.
   
   0-5 years service: 25 days per annum
   5-10 years service: 26 days per annum
   more than 10 years service: 28 days per annum (pro-rata)

4. Working Hours
   39 hours per week. Flexibility in consideration of service needs is required. You will be required to work the agreed roster on call arrangements advised to you by your line manager. Your contracted hours of work are liable to change between the hours of 8 am to 8 pm over seven days to meet the requirements for extended day services as may be introduced by the hospital.
5. **Superannuation**  
There are various Superannuation Schemes in operation. You will be a member of the scheme relevant to you based on your entry date to the public service and previous service if any. You will be issued with the relevant superannuation information directly from the Superannuation Section, Wages & Salaries Department in due course.

6. **Probation**  
The appointment shall be made subject to the conditions that: the person appointed shall hold the appointment for a probationary period of 9 months which the South Infirmary–Victoria University Hospital may, in exceptional circumstances, extend by a maximum of 6 weeks. The specific reasons for the extension shall be made known in writing to the person appointed. Performance and conduct of the person appointed will be monitored on an on-going basis within the probationary period, with written reviews every 3 months, to determine suitability for continued employment. Termination of the appointment within or at the end of the probationary period will be at the sole discretion of the South Infirmary-Victoria University Hospital. At the end of a satisfactory probationary period, the South Infirmary-Victoria University Hospital shall certify that the service has been satisfactory and confirm the appointment on a permanent basis. All new employees must complete satisfactory probation/performance monitoring period maximum 9 months prior to being eligible for any benefits under the hospital’s sick pay scheme.

7. **Notice**  
When resigning, the post holder is required to give four week’s notice in writing prior to resigning the post, or in default, to forfeit one month’s amount of salary, to be deducted as liquidated damages from any remuneration due at the time of such resignation.

8. **Healthcare Insurance**  
VHI / LAYA Healthcare Insurance details are available on the Intranet Human Resources page / HR General. Salary deduction for healthcare insurance can be facilitated for long term temporary (12 months or longer) or permanent employees only.

9. **Confidentiality**  
In the course of his/her employment, the person appointed may have access to, or hear information concerning the medical or personal affairs of patients and/or staff, or other health service business. Such records and information are strictly confidential and unless acting on the instructions of an authorised officer, on no account must information concerning staff, patients or other health service business be divulged or discussed except in the performance of normal duty. In addition, records must never be left in such a manner that unauthorised persons can obtain access to them and must be kept in safe custody / destroyed in accordance with policy, when no longer required.

10. **Safety, Health and Welfare at Work**  
The South Infirmary-Victoria University Hospital is committed to ensuring the safety, health and welfare of all employees. In line with the Safety, Health and Welfare at Work Act, 2005, a Safety Statement is provided by the Hospital and all staff must comply with Hospital safety regulations. The post holder has personal responsibility for Health and Safety in the workplace.

11. **Hospital Policies & Procedures (PPPGs)**  
Details of the Hospital's policies and procedures, including the Grievance and Disciplinary Procedure will be issued to the post holder upon commencement of employment. All hospital policies and procedures are available on the intranet (hard copy can be accessed via the hospital library) and employees are obliged to read and familiarise themselves and adhere to same at all times. All new employees must complete satisfactory probation/performance monitoring period maximum 9 months prior to being eligible for any benefits under the hospital’s sick pay scheme.

12. **Personal and Hospital Property**  
Management does not accept responsibility for property lost, stolen or damaged on hospital premises, whether by fire, theft or otherwise. The right to search your person and/or
property (including your motor vehicle) while on or departing from the premises is reserved by Management. Where you are found to be in unauthorised possession of articles which are the property of the hospital, the property of an employee, a patient, a visitor, a contractor or a client of the hospital, you may be liable to sanction up to and including dismissal and may also be prosecuted. A witness, i.e. union representative/colleague (whoever is available) may be present during any such search. Please note CCTV is in operation throughout the hospital.

13. Garda Vetting
Garda Vetting is sought for all South Infirmary-Victoria University Hospital employees, who may have significant interaction with children and/or vulnerable adults in the course of their duties, either while in the Hospital or in the community. This is done for the protection of these vulnerable groups. Garda Vetting will be sought for the successful candidate(s). Candidates must comply fully with this process. Failure to comply with this process or to provide false or misleading information will result in exclusion from the recruitment process.

This document sets out the prescribed Particulars and Qualifications of the post, the Job Description and other relevant information and is subject to review and amendment as required.
